PATTERN

1. Begin by chaining 4 stitches.
2. In the first chain you made, work the following stitches: 3 treble crochets, 3 double crochets, 1 treble crochet, 3 double crochets, 3 treble crochets. After this, chain 2 and complete the round with 1 slip stitch. This forms the top part of the heart.

4. In the first treble crochet of the previous row, make 3 single crochets.
5. In the second treble crochet of the previous row, make 3 single crochets.
6. Continue by making 1 single crochet in each of the next four stitches.
7. In the treble crochet at the bottom/point of the heart, work 1 single crochet, 1 double crochet, and 1 single crochet to shape the bottom of the heart.
8. Proceed by making 1 single crochet in each of the next four stitches.
9. Make 3 single crochets in the next treble crochet of the previous row.
10. Finally, make 3 single crochets in the last treble crochet of the previous row.
