

# Crochet Fruit Charm Bracelet Pattern

This colorful crochet bracelet is made with **tiny fruit charms attached to a crocheted chain band**. Each fruit (banana, strawberry, grape, watermelon, etc.) is crocheted separately using small stitches and then sewn or crocheted directly onto the bracelet cord. # Tips for Best Results

Use **tight stitches** so the small fruits keep their shape.

Cotton yarn works best for durability and color definition.

Experiment with more fruits like **orange slices, cherries, or apples**.
