Finished Size

- Diameter: approx. 30 cm

- Height: approx. 8 cm

Materials

- Assorted cotton fabrics (for patchwork panels)

- Lining fabric

- Batting (for structure)

- Fusible interfacing (optional for firmness)

- Sewing thread (matching or contrasting)

- 6 buttons (optional decorative/functional)

- Sewing machine

- Pins or clips

- Scissors / rotary cutter

Pattern Pieces

Piece A (Base)

- Cut 1 fabric + 1 batting

- Circle: **30 cm diameter**

- Quilted for structure

Piece B (Outer Panel)

- Cut 1 strip (patchwork or single fabric)

- Size: **120 cm x 8 cm**

- Divide into 6 sections (20 cm each)

Piece C (Inner Pockets)

- Cut 6 pieces

- Size: **8 cm x 18 cm**

- Rounded bottom corners

Piece D (Inner Wall Lining)

- Cut 1 piece

- Size: **120 cm x 8 cm**

Piece E (Pocket Linings)

- Cut 6 pieces

- Size: **18 cm x 8 cm**

Cutting Notes

- Add **1 cm seam allowance** to all sides

- Fuse interfacing to outer panels if needed

- Pre-wash fabrics to avoid shrinking

Assembly Instructions

1. Prepare Base

- Quilt Piece A (fabric + batting)

- Use straight lines or diamond pattern

- Set aside

---

2. Create Outer Panel (Piece B)

- Join fabric scraps to form strip (if patchwork)

- Press seams flat

- Fold top edge 1 cm and stitch

- Optionally sew buttons centered on each section

---

3. Make Pocket Units (Pieces C + E)

- Place Piece C and Piece E right sides together

- Sew around, leaving top open

- Turn right side out and press

- Topstitch upper edge

- Repeat for all 6 pockets

---

4. Attach Pockets to Inner Wall (Piece D)

- Divide Piece D into 6 equal sections

- Pin one pocket per section

- Stitch sides and bottom of each pocket

- Leave top open

5. Form Circular Walls

- Sew short ends of Piece B together (outer ring)

- Sew short ends of Piece D together (inner ring)

6. Join Outer and Inner Panels

- Place outer and inner rings wrong sides together

- Align top edges and sew around

7. Attach to Base

- Pin wall ring to circular base (Piece A)

- Ease evenly around curve

- Sew slowly to maintain shape

8. Final Finishing

- Turn right side out

- Press edges

- Optional: topstitch around base seam

Optional Features

- Add elastic to pocket tops

- Insert interfacing for extra stiffness

- Add handles or tabs

- Use contrasting fabrics for a patchwork look

Tips

- Clip curves when attaching base for smooth finish

- Use clips instead of pins for thick layers

- Press after every step for a clean result

- Reinforce pocket seams for durability

Customization

- Increase height for deeper storage

- Add more pocket divisions

- Use denim or canvas for a sturdier version

- Adjust diameter by resizing base circle
