COMPLETE TECHNICAL CROCHET DIAGRAM: 'SUNFLOWER ESPADRILLE ANKLE BOOT' (US Terms)

handcrafted.craftsforlove.com

- Cotton/Hemp Worsted (US size 4)
Yarn – Colors: Tan/Natural, Dark Brown, Rust Orange, Cream, Yellow (leaf detail)
- 3.5mm (E/4) Crochet Hook
- Tapestry Needle
- Stiffener spray/backing
- Espadrille soles (reference dimension: L=24cm, verified against 117 callout)
- Safety eyes/small beads
- Small scale ruler (verified)

handcrafted.craftsforlove.com

Materials & Tools

- Worsted weight cotton/hemp yarn (US size 4):
 - Tan/Natural (main body)
 - Dark Brown (heel + small flowers)
 - Rust Orange (sunflower petals)
 - Cream (daisy petals)
 - Yellow (leaf detail)
- 3.5 mm (E/4) crochet hook
- Tapestry needle
- Stiffener spray or backing (optional but recommended)
- Espadrille soles (approx. 24 cm / 9.5 in length)
- Safety eyes or small beads (optional for embellishment)
- Measuring ruler

Stitch Abbreviations (US Terms)

- ch = chain <https://handcrafted.craftsforlove.com/> **SEE THE BEST PATTERNS**
- sl st = slip stitch
- sc = single crochet
- dc = double crochet
- inc = increase (2 stitches in same stitch)
- BLO = back loop only
- FLO = front loop only
- MR = magic ring
- dc cluster = group of partial dc stitches closed together

Section 1: Sole Connection & Upper (Tan Body)

Step 1: Attach Yarn to Sole

- Using tan yarn, insert hook into pre-punched sole holes.
- Start with a **magic ring alternative join** or directly attach yarn.
- Work **sc evenly around the sole edge in BLO**.
- Keep stitches tight and consistent.

Step 2: Build the Base Rows

- Continue working in rounds:
 - 1 sc in each stitch around
- Do NOT increase unless needed for fit.
- Slip stitch to join each round.

<https://handcrafted.craftsforlove.com/> **SEE THE BEST PATTERNS**

Step 3: Shape the Upper

- Begin building height:
 - Continue sc rows evenly
 - Transition to dc rows gradually for flexibility
- Work more rows in the toe and mid-foot area
- Leave ankle opening space (do not crochet fully closed)

Step 4: Transition Row (Decreases)

- Add shaping: <https://handcrafted.craftsforlove.com/> SEE THE BEST PATTERNS
 - Use sc2tog (single crochet decrease) around ankle opening
- This creates a snug fit

Section 2: Floral Motifs & Components

1. Large Sunflower (Make 1–2)

Center:

- MR
- Round 1: 10 sc in MR, join
- Round 2: inc in each stitch (20 sc)

Petals (Rust Orange):

- (*ch 6, sl st in next stitch*) repeat around
- This forms long loop petals

2. Medium Daisy (Make 2–3)

Center:

- MR with cream yarn
- Round 1: 12 sc

Petals: <https://handcrafted.craftsforlove.com/> SEE THE BEST PATTERNS

- (*ch 3, dc cluster, ch 3, sl st*) in same stitch
- Repeat around

3. Small Brown Flowers (Make 2–4)

- MR
- Round 1: 8 sc <https://handcrafted.craftsforlove.com/> SEE THE BEST PATTERNS
- Round 2:
 - (*ch 2, dc, ch 2, sl st*) in each stitch
- Creates small rounded petals

4. Leaf (Make 2–3)

- ch 10 <https://handcrafted.craftsforlove.com/> SEE THE BEST PATTERNS
- Row 1:
 - sc, hdc, dc across chain
- Work along other side of chain
- Use **front post dc (FPdc)** to create vein texture
- Fasten off and shape

Section 3: Heel & Ankle Border

Step 1: Heel Construction (Dark Brown)

- Attach dark brown yarn at back of shoe
- Work rows (not rounds):
 - Row 1: sc across heel width
 - Row 2+: alternate sc and dc rows
- Use BLO for texture stacking effect
- Build up approx. 12 cm (4.7 inches)

Step 2: Lace Ankle Border

- Attach yarn at top edge
- Pattern:
 - (*ch 3, skip 1 st, sc*) repeat
- Next row: <https://handcrafted.craftsforlove.com/> SEE THE BEST PATTERNS
 - Work shells:
 - 5 dc in chain spaces
- Repeat for decorative lace effect

Assembly & Finishing

Step 1: Attach Floral Elements

- Position sunflower on outer side
- Add daisies and small flowers around it
- Sew securely using tapestry needle

Step 2: Attach Leaves

- Place leaves under flowers for layering effect
- Stitch lightly but firmly
- <https://handcrafted.craftsforlove.com/> **SEE THE BEST PATTERNS**

Step 3: Weave in Ends

- Use tapestry needle
- Secure all yarn tails inside stitches

Step 4: Shape & Stiffen

- Lightly spray with stiffener (optional)
- Shape boot while drying

Final Sizing Notes

- Sole length: approx. 24 cm (9.5 inches)
- Adjust stitch tension if needed
- Ensure symmetry between both boots

Tips for Success

- Keep tension consistent throughout
- Try on as you go for fit accuracy
- Use stitch markers if needed
- Block finished pieces for clean shaping
