Main Chain Base

Start with olive green thread.

Step 1: Create the Foundation Chain

Chain enough stitches to comfortably fit around the neck.

For an average adult necklace:

- Chain approximately 140–160 stitches.

The chain should curve naturally around the neckline.

Step 2: Reinforce the Chain

Work:

- 1 hdc in every chain across

This creates a stronger necklace base and prevents stretching.

Fasten off and weave in ends.

Large Flower Pattern

Make 5 large flowers total:

- 2 lavender flowers
- 2 dark purple flowers
- 1 center flower

Round 1

Begin with chosen flower color.

Create a magic ring.

Work:

- 8 sc into the magic ring

Pull ring tight and join with sl st.

You now have 8 stitches.

Round 2

In each stitch around work:

- dc-cluster
- ch 3

Repeat around 8 times.

Join with sl st.

Round 3

Into each ch-3 space work:

- dc-cluster
- ch 3

Repeat around 8 times.

Join with sl st.

Fasten off.

The flower should look full and layered.

Flower Center

Sew a pearl or bead in the center of each flower.

Use sewing thread for extra security.

Small Decorative Flower Pattern

Make multiple small flowers using white thread.

Round 1

Create a magic ring.

Work:

- 6 sc into ring

Join with sl st.

This creates tiny petals.

Fasten off leaving tail for sewing.

Small Leaf Pattern

Work leaves in rows using olive green thread.

Make many leaves in varying sizes.

Row 1

Chain 8.

Row 2

Starting in 2nd chain from hook:

- 1 sc

Shape the leaf gently with fingers.

Crochet Vine Accent

Using purple or lavender thread:

Step 1

Chain desired vine length.

Step 2

Work loosely:

- sl st
- sc
- hdc randomly along chain

This creates a natural twisting vine appearance.

Make several vine pieces for decoration.

Pearl and Bead Dangles

These dangling accents give the necklace movement and elegance.

Step 1

Thread beads onto jewelry pins or sewing thread.

Step 2

Attach beads using jump rings.
